

ROSCA NICOLAE-BOGDAN

FRONT-END DEVELOPER

Romania, Dambovita · 0739.352-977 · rnbrosca2003@gmail.com · [portfolio](#)

Enthusiastic about growth and eager to contribute skills within a collaborative development team. I am excited to tackle intricate challenges and constantly seek opportunities to enhance user productivity.

PROFESSIONAL EXPERIENCE

Freelancer | Front-end Developer

2024-Present

- I initiated a video call with the client to discuss their vision for the website and gather detailed specifications on its desired appearance and functionality. This proactive approach ensured clear communication and alignment with the client's expectations, facilitating a smooth and collaborative development process.
- Responsible for crafting the webpage entirely from the ground up, covering both its design and functionality.
- Crafted an engaging landing page featuring dynamic animations to captivate visitors and leave a lasting impression.
- Implemented a JavaScript-based contact form on the website to facilitate seamless communication, enabling visitors to easily send emails to the company.

VOLUNTEERING

- Volunteer at the “Daruieste un Zambet” educational project from 1.11.2021 to 20.12.2021

EDUCATION

Facultatea de Ingineria a Instalatiilor
Liceul Teoretic “C.A Rosetti” - Matematica-Informatica
ECDL Profile Certificate

September 2022 - Present
Octombrie 2018 - June 2022
April 2020
